December 18, 2020

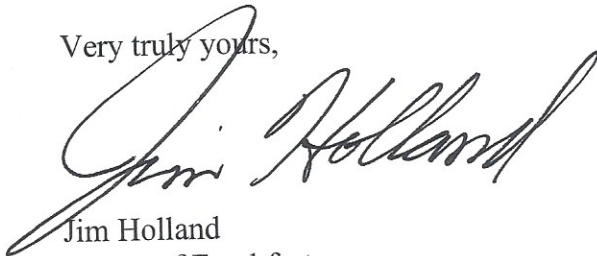

Congratulations!

You have been chosen as a Village of Frankfort Beautification Award winner for your holiday decorations. The Beautification Award Program allows us to recognize those within our community who devote extra time and effort to enhance the beauty of our village.

Enclosed is an award certificate noting your achievement. We also offer the opportunity to display a beautification award winner sign in front of your property. Signs can be picked up from the Village Administration Building during business hours or please contact Sue Lynchey (815) 469-2177 if delivery of your sign is preferred. The village will collect signs after January 11, 2021.

Again, the Village Board and I applaud your efforts to make Frankfort beautiful.

Very truly yours,

Jim Holland
Mayor of Frankfort
